

FORTÉ ON FLAGLER

This page, clockwise from above: Each residence at Forté features floor-to-ceiling windows and expansive balconies with views; the pool area; a spacious living room; the entrance of Forté. Opposite page: Forté is a 24-story tower developed by Two Roads Development.

OVERLOOKING PALM BEACH from South Flagler Drive, Forté, a 24-story tower developed by Two Roads Development, enjoys sweeping views of Worth Avenue, the Intracoastal Waterway, and the Atlantic Ocean. Forté offers a collection of 41 flow-through residences, starting at \$6.7 million, each with private elevator foyers, dramatic ceiling heights, floor-to-ceiling glass windows, and expansive balconies that provide 1,000 additional square feet of outdoor living. With only two residences per floor, each unit comes with customizable kitchen floor plans appointed with the finest modern finishes, features and appliances.

The building's only penthouse unit, which is 8,976 square feet, is comprised of six bedrooms and grand ceiling heights, ranging from 12 to 15 feet. The penthouse also features an additional 2,103 square feet of outdoor space, including a private roof deck and pool, a summer kitchen, and a cabana bath.

Forté on Flagler also offers exclusive amenities for its community, such as 24-hour valet and doorman, onsite con-

cierge, resort-style pool, spa and treatment rooms, state-of-the-art fitness center, private guest suites, a private 24-seating dining room, evening lounge, sport simulator room, card room, and more. ♦

Forté residences are being sold exclusively by Douglas Elliman. The Forté Sales Gallery is located at 1217 South Flagler Drive, Suite 300, in West Palm Beach. For more information, call 561.653.6240 or visit fortewpb.com.
